

Saturday January 25, 2002

TO: The Department of Justice
Washington, D.C.

Subject: Microsoft Settlement;
Fax # 1 202-307-1454

As a voter, living in the state of Colorado, I feel the negotiated agreement made by Microsoft with your department, and nine states, is a fair and equitable to all parties concerned. It time we all move forward without spending more of our tax dollars, and lining the pockets of the attorneys involved.

Regards,

Bill Coriell
Denver, CO
